Contact Lens Agreement

First time Contact Lens patients require the following:

- contact lens evaluation
- contact lens fitting
- contact lens training
- contact lenses
- 1 week contact lens follow-up examination
- yearly comprehensive eye exam

Current Contact Lens patients require the following:

- contact lens evaluation
- contact lens fitting
- contact lenses
- 1 week contact lens follow-up examination
If necessary
- yearly comprehensive eye exam

Contact Lens Evaluation & Contact Lens Fitting:

Every year, each patient wearing contact lenses must be evaluated for any changes to their vision and/or their contact lens prescriptions. The fee each year is dependent on the lens type and the measurement of your prescription. There are 3 levels of evaluation & fitting.

Contact Lens Evaluation/Fit Fees

Level 1: spherical SV	\$ 80	_____	("regular" contact lenses)
Level 2: spherical SV monovision	110	_____	(distance in one eye, near in the other)
Level 2: toric SV	110	_____	(for astigmatism)
Level 3: toric SV monovision	150	_____	(DV one eye NV other eye and astigmatism)
Level 3: multifocal	150	_____	(for far away and up close)
Level 4: RGP	175	_____	("hard contacts")
Level 5: Multifocal RGP	250	_____	(hard contacts for distance and near)
Level 6: CRT	\$1,500	_____	(corneal reshaping therapy)

Contact Lens Training:

Training is required of first time contact lens wearers, and is to be completed to the satisfaction of the doctor. The fee for contact lens training includes up to three forty-five minute sessions for the patient to learn the following: cleaning and hygiene, application and removal, and a wearing schedule. If a patient is unable to complete the contact lens training on their first visit they are allowed 2 more training sessions to achieve success. If after three sessions, the patient is unable to master training they will not be able to continue with contact lenses. They must wait for six months.

Contact Lens Training Fee:

\$75; includes 3 forty-five minute sessions, all within twelve months. Additional sessions are \$25 each.

Contact Lens Follow-up Examination:

All contact lens follow-up examinations are included with your contact lens evaluation/fit fees. The contact lens follow-up examination is at no charge if it is scheduled within six months, and only necessary if the doctor recommends it.

All fees are due at the time of service and non-refundable.

I have read, understood and agree to the terms above:

patient name: _____ patient signature: _____ date: _____

(if under 18 years old)

parent name: _____ parent signature: _____ date: _____
